

LODGING INFORMATION – RSA/ISBRA 2008

ACCOMMODATIONS:

The majority of RSA/ISBRA's hotel rooms are located at the **Grand Hyatt Washington at Washington Center**, the headquarters hotel. Additional lodging is located within 0.5 mi (0.8 km) of the Grand Hyatt at the **Hilton Garden Inn Washington DC Franklin Square** and at the **Four Points by Sheraton Washington DC Downtown**. Refer to the [accompanying map](#).

Bedding configurations and number of occupants of the **hotel rooms** and **suites**, along with pricing information, are listed on the accompanying Lodging Reservation Form.

RESERVATIONS:

Accommodations at RSA/ISBRA's special conference rates can be reserved **ONLY** by returning the Lodging Reservation Form not later than **MAY 12** with a **CREDIT CARD** deposit to cover the first night's lodging and tax. Credit card deposits are required by the hotels to guarantee reservations, however, the hotel will **not** charge your card prior to arrival.

On-line submissions will be transmitted to SCP via a secure server. Otherwise, please submit the Printable (PDF) version of the form by mail or fax directly to **SCIENTIFIC CONFERENCE PLANNERS (SCP)**. SCP will transfer your reservation to the hotel of your choice, whereupon the hotel will e-mail confirmation of your reservation directly to you.

Conferees reserving directly with the hotels will be charged regular rack rates.

PLEASE NOTE: RSA/ISBRA has contractual agreements with the hotels to fill all the rooms in the Societies' block. All empty rooms must be paid for by RSA/ISBRA. It is therefore essential for conferees to book lodging at RSA/ISBRA's hotels using the RSA/ISBRA Lodging Reservation Form. Your cooperation is appreciated.

For those wishing to share lodging, SCP will maintain a roommate list and circulate it upon request.
