Dear RSA/ISBRA Participant:

The 2008 RSA/ISBRA Program Committee is pleased to inform you that your abstract has been accepted for presentation as a poster during the 2008 RSA/ISBRA Joint Meeting in Washington D.C, June 28-July 2. Presenters are required to register for the meeting.

The Poster Number, Day and Abstract Number of your poster are on the abstract that will be mailed to the principal author. See below for the SAMPLE KEY to follow.

The Poster Sessions are scheduled for Sunday, Monday and Tuesday (4:00pm - 7:00pm) and Wednesday (1:30pm - 4:30pm). Posters should be mounted by 9:00am on your scheduled day. You must staff your poster for the assigned 45-minute period (which will be indicated in the final program). However, we request that all first authors circulate in the poster area for the entire poster session. Posters must be removed by 8:00pm on Sunday, Monday and Tuesday and by 5:00pm on Wednesday. The RSA, ISBRA, SCP and host hotel are not responsible for removing posters.

For those who sent abstract revisions - the enclosed copy does not necessarily show the revision, but the version sent to the publisher (electronically) will be the final version.

The poster mounting area will be 45" x 45" (115cm x 115cm) and will have your Poster Number in the top left hand corner. Push pins will be available for your use.

If you have any questions about your presentation time, day, etc. contact the RSA Office at (512) 454-0022 or debbyrsa@sbcglobal.net.

We look forward to your participation at the meeting and seeing you in June.

Sincerely,

The 2008 RSA/ISBRA Program Committee
