2012 RSA MEMBERSHIP DUES NOTICE

Dear RSA Member:

RSA 2012 Membership fees are now being accepted - please pay your dues by **DECEMBER 15, 2011 to keep your ACER subscription active**. Payments can be made after this date, but a disruption in subscription service to *Alcoholism: Clinical and Experimental Research* may result.

If required, personalized dues notices can be mailed or e-mailed to those who wish to pay with check or purchase order – or print the correct form below and mail to the address above, with check or P.O. made payable to RSA. Credit card payment form below for those who prefer to fax the form.

If you want a personalized dues noticed mailed or e-mailed to you or if you do not know your membership category (Regular, Post-Doc, Student, Associate, Emeritus or Dual), contact the RSA Office at 512-454-0022 or e-mail Becky Thomas at rsastaff2@sbcglobal.net

This is not a membership application, it is for renewal only. To become an RSA member submit an application online – www.rsoa.org – under JOIN RSA.

RSA is accepting donations for the Memorial Travel Awards to honor recently deceased RSA Members. An endowment will be set up to defray travel expenses for students or young investigators to attend the annual meeting. On the dues form you can indicate the amount of your donation (\$25 minimum) and which RSA member you would like it to honor (list is available online - www.rsoa.org – under the Membership Menu - Obituaries). A list of the honorees and travel awardees will be printed in the final meeting program each year.

The RSA's Federal ID Number is 84-0893073.

NOTICE TWO DIFFERENT FORMS BELOW: Due to higher postage rates, dues and journal subscriptions are higher for our members outside of North America.

FETAL ALCOHOL SPECTRUM DISORDERS – MEMBERSHIP: You can pay FASDSG membership dues at the same time you pay your RSA dues. See line item below and add the FASDSG dues amount to the total. A message from FASD-SG can be found below.

MEMBERS RESIDING IN NORTH AMERICA

MEMBERSHIP CATEGORIES/AMOUNTS:

REGULAR MEMBERS: \$160 is now due for RSA Regular Members Dues (\$50) and subscription (\$110) to the journal *Alcoholism: Clinical and Experimental Research*.

POSTDOCTORAL MEMBERS (no more than 4 years past their degree) pay the same dues (\$40) as associate members, but receive a discount for the journal (not optional) – their combined dues/subscription total \$100.

ASSOCIATE MEMBERS' dues are \$40, with the journal optional at an additional charge of \$110

STUDENT MEMBERS' dues are \$20, with the journal optional at an additional charge of \$60

EMERITUS MEMBERS are not required to pay dues, but pay full price (\$110) for the journal (subscription is optional). If you wish to retain your membership, but not subscribe to the journal, let the RSA office know so we can keep your file current.

DUAL MEMBERSHIPS are for couples who are both RSA members. One should pay the full membership dues/subscription; the other should pay dues only (unless you want two subscriptions).

EARLY DEADLINE = DECEMBER 15, 2011

FOR ACCURATE PROCESSING, COMPLETE THIS ENTIRE FORM.

Fetal Alcohol Spectrum Disorders Study Group

2012 Membership Information

Greetings! It is now time to renew your membership in the Fetal Alcohol Spectrum Disorders Study Group. We are pleased to inform you that membership rates are the same as last year.

FASDSG is a satellite group of RSA and you can renew your FASDSG membership at the same time that you renew your RSA membership. RSA membership is required for membership in FASDSG. Conference registration will be handled separately, at the time of registration for the RSA Annual Meeting in the Spring. FASDSG members receive a reduced cost for registration at the Annual FASD-SG Conference compared to non-members. Importantly, only student FASDSG members can receive Student/Postdoctoral Fellow Travel Awards.

What do your dues support? One purpose of the membership dues is to underwrite our new website. Ultimately it will feature a password-protected domain in which members can post job opportunities, request materials, discuss issues relevant to FASD, and other services. The website will facilitate management of our membership and communications; make it easier to submit travel award requests and abstracts for our annual meeting, etc. Currently all this is being managed manually without administrative support. Advances in web technology will automate much of this for FASDSG and allow its members to focus on our science and the Conference itself.
